Our team will be selected at 11:30 am at persco. Besides the marathon race is an inter-house football tournament. At stake shall be a Nimako-Mensah memorial trophy for the winner. The trophy is in memory of our late brother Francis Nimako -Mensah.

For the benefit of those who were absent and did not hear about the unfortunate incident, we regret to reiterate that our brother Nimako-Mensah passed away on 1st December, 2010, at Akrokerri, near Obuasi. He was buried on 26th February 2011. For his invaluable contribution to the cause of St Peter's Old Boys' Association there will be a memorial service for him on Sunday, 10th July, 2011 at St Peters' Catholic Church Nkwatia at 7:00 a.m. Please, refer to the attached program.

As usual we shall "fantalise" the students at Persco on Saturday, 9th July, 2011, if we get enough funds we shall give them "buta" on Sunday morning. We think that Gyimah Davis should be able to sponsor the "buta" session for obvious reasons. Again, the normal dinner with Persco Masters shall take place at Loop Hill Hotel at Nkwatia at 7:00 pm after the football tournament. For the sake of convenience we shall all lodge at Loop Hill Hotel at Nkwatia. Please call Manager on 024-4843303 for reservation. The same manager is in charge of Omari Serwaah Hotel at Aduamoah. You therefore need to specify.

Gentlemen, the only Old Boy who could not be located has now been found. Guess who? He is a professor in a reputable university in Oman. He will call us at 4:00 pm on Saturday, 9th July, 2011. His name is "Cicaquaye". Also, Alabasta is likely to join us for the meeting. Mr. Gyimah (current) and Mr. Peter O. Amankwah (POA) our Agric Science Master will be in attendance, other old Masters are yet to confirm their participation.

You are being encouraged to attend the meeting with your wives. You will definitely enjoy the event. This is a joint meeting between the 1975/77 and 1976/78 year groups come and meet old friends and take part in the fun marathon (1,500 meters).

In view of the marathon race there is the need for each one of us to undertake regular exercise each morning. It is in your own interest to exercise on daily basis. We also have to watch our eating habits. Most of the diseases afflicting us can be trace to our diet and eating habits. Enjoy the normal local foods and run away from fatty foods and red meat. Vegetables are wisely recommendable.

Meanwhile, we are meeting at Hon. Osei Kyei Mensah's residence at Sakumono on 1st July 2011 for the family meeting. The time for the meeting is 2:00 p.m.

You are cordially invited to attend with your wives and children. We look forward to meeting you and your wives on Saturday, 9th July, 2011. The reporting time is 22:00am. A warm welcome awaits you.

Yours sincerely,

A.K. OSEI
