Dear Colleagues

PROGRAMME FOR 2009

The year 2008 has come to an end. There is therefore the need for us to prepare a new programme for 2009. We thank you for your support and co-operation during 2008.

There was a joint meeting between us and our brothers from the 1976/78 Year Group on Saturday, 29th November 2008 at Regal Chinese Restaurant Accra. They reaffirm their pledge to join us put a modern library for St. Peter's School.

Again, they decided to transfer the funds they have been able to mobilize to the National executive for continuation of jobs on the expanded Dinning Hall.

Gentlemen, the unfortunate situation at the school now is that the Form one students are being accommodated at the uncompleted Dinning Hall because of the precarious nature of the Old Dormitory. The good news is that the contract for the rehabilitation of the old dormitory has been awarded by the government. The new students will continue to be in the Dinning Hall until the completion of the jobs on the Father Clement's Dormitory. Please, visit the Persocba web site for pictures on the expanded Dinning hall – before and after roofing and the dilapidated dormitory. Your financial support is needed to complete works on the dinning Hall. Again, you may pay your contribution through our Account at SG SSB Bank Ltd., Premier Towers Branch. The Account Number is 0142010050460. Monthly subscription are to be paid into Account Number 0142010003940 for your indebtedness you may contact our Financial Secretary, Mr. Oduro Boamah on +233-24-3186748.
